The two results of each skater/couple are to be considered for the ISU Junior Grand Prix of Figure Skating ranking order. The points are added to a total to determine the ranking of the ISU Junior Grand Prix of Figure Skating.

If a skater/couple does not complete an event due to illness or injury, this event will be treated as „not skated", i.e. an initial round incomplete will not count for Junior Grand Prix ranking order. Nevertheless, such an event will count as one participation, i.e. only one other participation in another event of the ISU Junior Grand Prix of Figure Skating is possible.

World Standings Points will also be awarded according to the „World Standings Procedure", that can be found on the ISU website (www.isu.org) under Single & Pairs/Ice Dance – World Standings.

If there is still a tie,

b) the higher total of the added total scores obtained in the two events will count for the better place/ranking:

If there is still a tie,

c) participation in two events will be considered better than having participated in only one event;

If there is still a tie,

d) the higher total of the added scores in Free Skating/Free Dance obtained in the two events will count for the better place/ranking;

If there is still a tie,

e) the higher total score in Free Skating/Free Dance obtained in one of the two events will count for the better place/ranking;

If there is still a tie,

If there is still a tie,

g) the number of participants finishing the two individual events in which the tied skaters/couples have completed, will be added to the total. The higher number of participants will count for the better place/ranking.
